

## **REGENTS SCHOOL OF OXFORD PURCHASES LAND FOR NEW CAMPUS**

**May 5, 2021** - Regents School of Oxford (RSO) announced today the acquisition of 18-acres of undeveloped wooded land for the purpose of building a new campus home for our 3K-12th grade programs in a multi-phased effort. This site is located in the College Hill community near the current campus and conveniently located adjacent to the soon to be completed East Pat Patterson Parkway. The completed campus project aims to provide adequate space to serve 550 students including beautiful indoor and outdoor learning and athletic spaces, adequate parking, and a performing arts space.

The natural agrarian surroundings of the College Hill community were a key contributor to site selection. Proximity to the current campus also benefits operations during what is anticipated to be a multi-phased project. “At Regents, we study the Classics and are taught to cherish beauty which will drive our design.” says Beth Paul, RSO Board of Directors Chairman. “We want to amplify the beautiful God-given surroundings and aesthetically communicate high quality. We look forward to matching the quality of our facilities with the quality of our programs, providing the best learning environment for our students both inside and out.”

In April, Regents launched a master campus planning process with selected partners McCarty Architectural Services and Innovative Construction Management. Phase One will include a new Upper School to meet the growing demand for our 6<sup>th</sup>-12<sup>th</sup> grade programs as well as a multipurpose gym facility. With the land acquisition phase fully funded, Regents turns its attention to completing Phase One funding over the next year for a 2022 build start date. Benton Smith will serve as Regents Capital Campaign Committee Chairman working closely with the Board of Directors and Jason Wood, Regents Executive Head of School.

### **About Regents School of Oxford**

Regents School of Oxford is a Classical, Christian school located in the College Hill community of Oxford, Mississippi. Regents is accredited by AdvancED and is a member school of the Association of Classical Christian Schools. We currently serve 275 students in 3K-12<sup>th</sup> grades. Our mission is to equip and disciple our students not only to succeed in college but to live a life that glorifies God. RSO graduates strive to love God, serve others, treasure knowledge, cherish beauty and transform culture.
